

SUPRA ACCESS INSTRUCTIONS IN 4 STEPS:

A **CBS code** is registered to every **Supra box** and can easily be obtained through the **eKEY app**. Follow the steps below:

Note: (We only need the CBS code, changing or reprogramming the supra is not needed for us to access the Lockbox)

1. Select "my keyboxes" from home page of the eKey app.
2. Identify the Supra serial # installed at the property.
3. Select "program keybox" option.
4. You're done! All we need is the **7 digit** code highlighted below.

Do not share your shackle code
